ABOUT US

With a firm belief that better than a thousand days of diligent study, is one day with a great teacher "VED EDUCATIONAL SERVICES", has been instituted. We are endeavoured to provide teaching practices that has proved to be a model which works well and gives superior results.

Based on KOTA pedagogy, VED EDUCATIONAL SERVICES, KOTA brings qualified and experienced faculty with the chief effort to get the best out of every student from class VI to XII. We believe that at this age, a student needs additional attention, consistent guidance and motivation, along with a concerned atmosphere for them to excel and improve their results. We at VED EDUCATIONAL SERVICES, believe in concentrating on the all-round development of the student from academic related skills to personality related developments. We are capable to groom both average and brilliant students and we leave no stone unturned to render the best out of them.

What is FOUNDATION PROGRAM?

- Identify student's core strength and enable them to pursue their goals in a focused manner.
- Help students to grasp the fundamentals at the early stage, thus make them comfortable to face competitive exams such as IIT JEE, NEET, BITSAT and other entrance exams.
- Sharpens student's analytical skills and retention abilities via various techniques and practices.
- Impart the learning techniques and presentation skills required to secure high score in the school exams.
- Develop the attitude to attempt and win.

What is NEET?

National Eligibility Cum Entrance Test (NEET) is a national level single medical entrance exam conducted by National Testing Agency (NTA). Eligible candidates can apply for MBBS and BDS admissions. It is held for providing admissions in MBBS/BDS courses offered by all government and private medical colleges in India.

Admissions into other Medical Institutes / Colleges

AIIMS

The All India Institutes of Medical Sciences (AIIMS) are a group of autonomous public medical colleges of higher education. Admission to undergraduate Medical courses (MBBS) in AIIMS are done based on NEET score starting Academic Year 2020.

JIPMER

The Jawaharlal Institute of Postgraduate Medical Education and Research (JIPMER) is unique and the oldest Institution in India providing education in European medicine. It is Situated in Puducherry. JIPMER offers courses at the Undergraduate and Postgraduate levels and admits students in undergraduate level based on NEET score starting Academic Year 2020.

MEDICAL PROGRAM

VED EDUCATIONAL SERVICES, medical programs enhances the student potential and help them to obtain top ranks in Medical Entrance exam like NEET, which help them securing seats in AIIMS, JIPMER & other top Medical Colleges. This program also paves ways to the students to score higher marks in Board exams & also prepares the students for KVPY and Other Scholastic Competitive Examinations.

What is IIT-JEE Main & Advanced?

Candidates seeking admission into technical institutions like National Institute of Technology (NIT), Indian Institute of Technology (IIT) and reputed tech institutions across the country have to appear for Joint Entrance Examination (JEE).

MAIN

Admission to the National Institute of Technology (NITs), Indian Institutes of Information Technology (IIITs), and some other colleges designated as "centrally funded technical institutes" (CFTIs).

ADVANCED

Admission to the Indian Institutes of Technology (IITs). Only the students selected in JEE Mains are eligible for appearing in JEE Advanced. It is used as the sole admission test by the 23 Indian Institutes of Technology (IITs).

ENGINEERING PROGRAMS

The goal of the Engineering Programs offered by VED EDUCATIONAL SERVICES is to enable the students to get a Top Rank in IIT-JEE (Main & Advanced) exams. The program also helps the students to perform well in academics and score higher marks in board exams too. VED EDUCATIONAL SERVICES engineering program also enables the students to prepare for MHTCET and KVPY Competitive Examinations.
